

Piedmont Technical College's Engineering Technology Camp

*Piedmont Technical College will offer
a great new summer camp to
introduce rising eighth graders
to the excitement of
applied science and technology.*

June 21 - 24, 2004

(for rising 8th grade students)

PTC Lex Walters Campus — 8:30 a.m. - 4 p.m.

- ❖ Build bridges to the future, and explore technology in new and exciting ways!
- ❖ Take part in hands-on technology activities!
- ❖ Enjoy fun-filled days!
- ❖ Participate in friendly competitions that will expand your imagination!

*A charge of \$30 for the four days will cover instruction, lunch and snacks.
Limited spaces are available, so apply early!*

*For information,
